## World-class Cookware

Here's how the world-class technology from Korea makes quality cooking easy for everyone:

### Premium construction

- Made with high quality Stainless Steel grade 304
- Extra thick aluminium core and non-hollow base
- Solid 3-ply structure that enhances heat conduction and conservation

### Designed for convenience

- Built-in measuring scale
- Built-in draining system
- Isolated lid knob making it heatproof

### Compatible with various cooktops

### Anti-Corrosion Induction (IH)

- Full ceramic coating and induction plate at the bottom to resist corrosion
