How to use the Surimi?

- Just add it to stir & eat, perfect for use in soups.
- Get odd number of items for 'Rak' and 'shu'.
- In soups or 'Tahleh' - blend together with the flour or in cake topping.
- For a sandwich - blend dates with banana and stick with white to eat it - add salad and chopped dates to eat it.
- On top of hot cheese or frozen yogurt - try, enjoy, and spread them on top for a fresh smooth treat!
